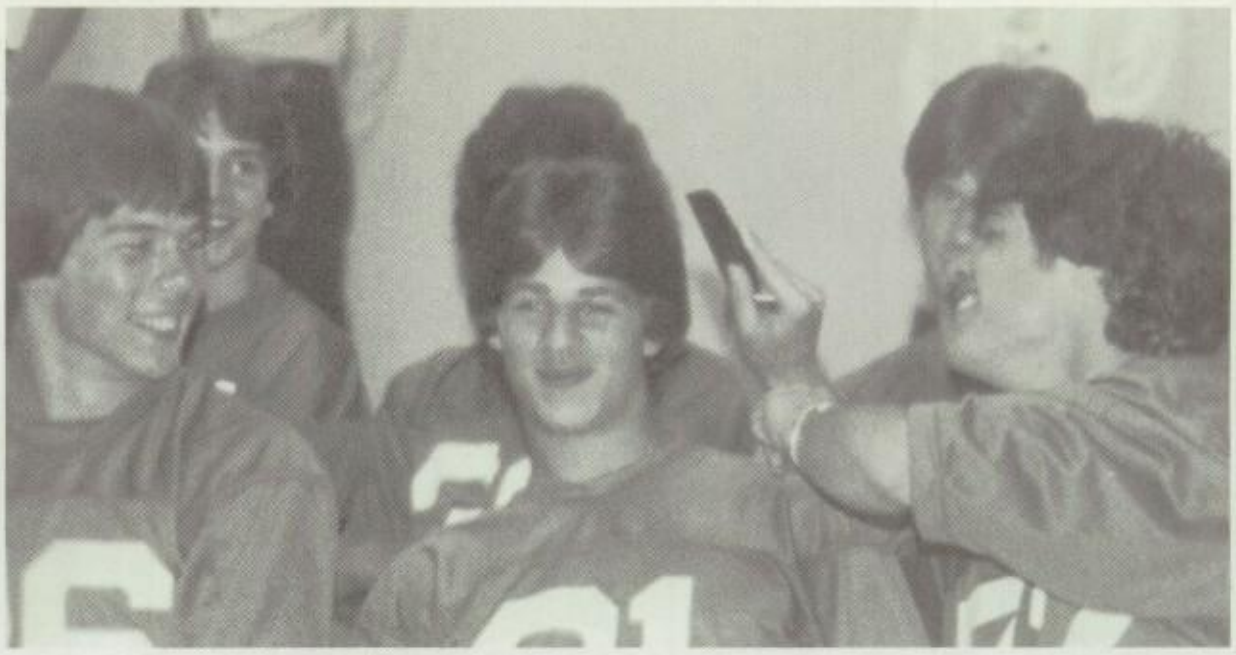
Mr. Donald J. Giffune

The Senior Class of 1980 would like to express their deepest and most sincere thanks to our Senior Class Asvisor, Mr. Donald J. Giffune. Mr. Giffune has been our advisor since our Sophomore year, when no one else wanted to accept the responsibilities as our advisor. He has seen us through ice - cream sales, cookie sales, bake sales, and every other kind of sale you can imagine, not to mention our infamous manure sales. He has also seen us reap the fruits of our labors: yearbook, Prom, classnight . . . Most of all, we feel that he has seen us grow. Of course, we have not reached full maturity or attained our various personal goals. We did, however, take a step ahead and Mr. Giffune was there to see us through that step and to help us when we needed an extra boost.

This yearbook is therefore dedicated to you, Mr. Giffune, with heartfelt thanks and with a deep love that will forever be preserved in the pages of this book. We hope that you feel the same toward us because you have helped us, The Class of 1980, to just begin our lives at the . . .

. . . BEGINNING OF A DECADE.

SCHOOL LIFE



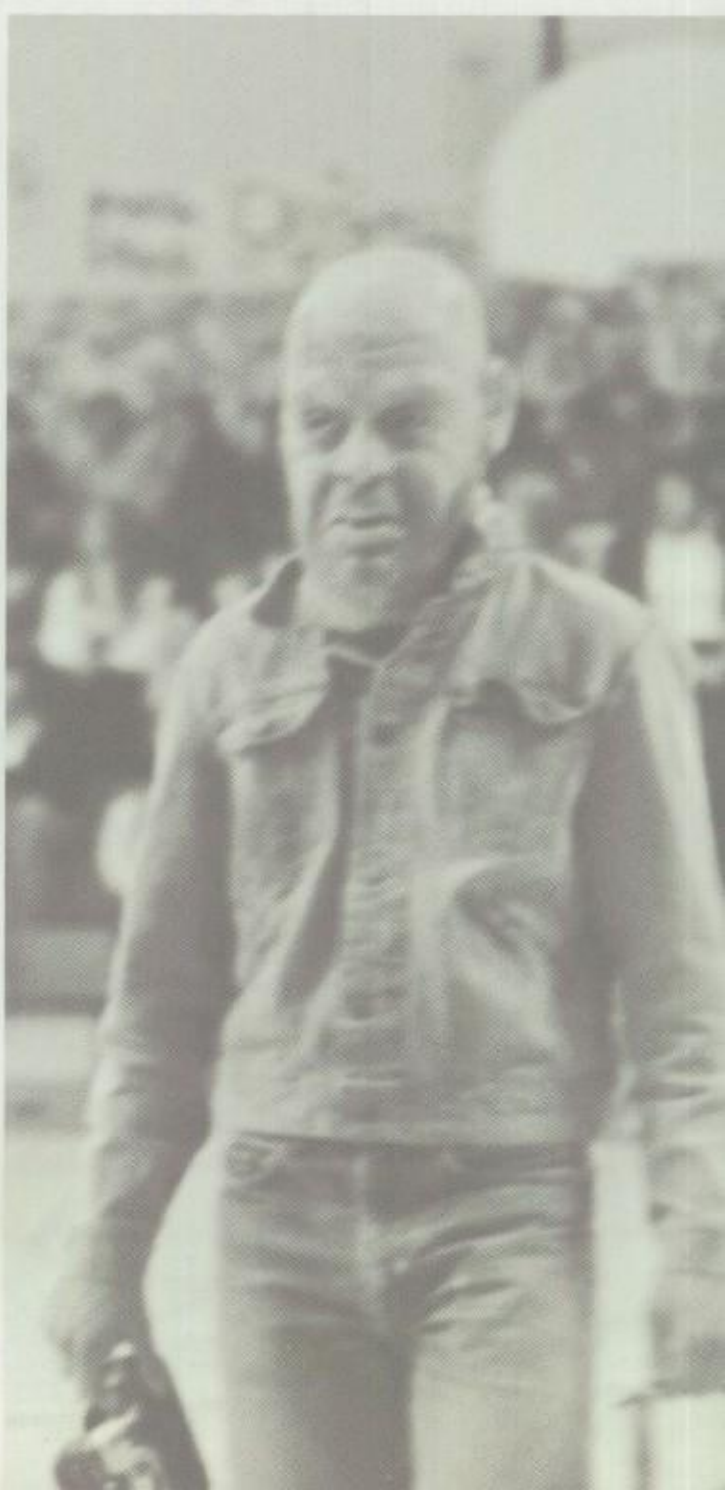
It's all behind us now. Where did all the time go?

Deep in my heart a voice kept echoing . . . I knew I'd soon be wandering.

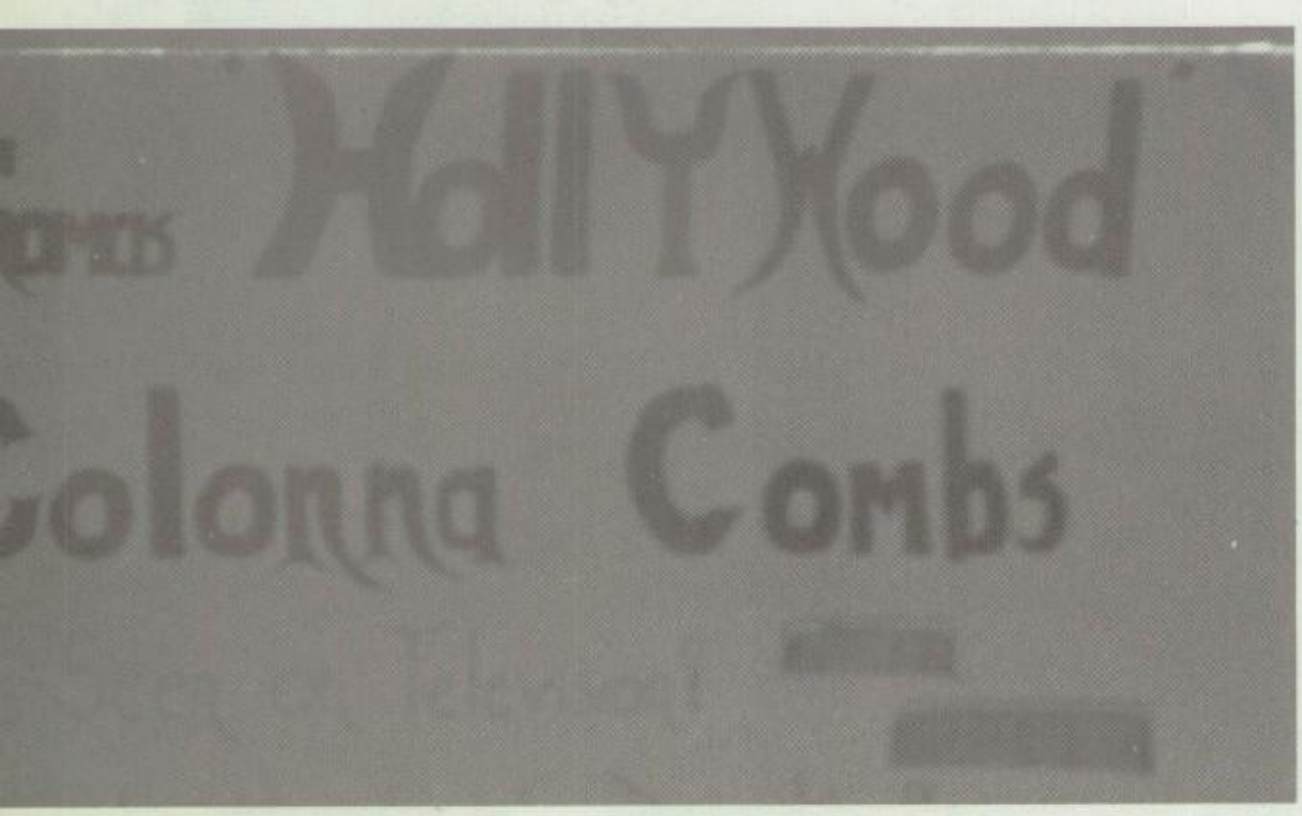
I've been waiting so long for this day to come. Now that it's here, I'm not really sure that I want it to be at all.

Our time here was so good, so full . . . so short.

Wheel in the sky keeps on turnin' I don't know where I'll be tomorrow.



All those parties! Football blowouts with Wag, New Year's Rockin' Eve with Santo and Jackie, Denise and Kim at Dineen's, and the memorable surprise party for Mick at Sheila's.

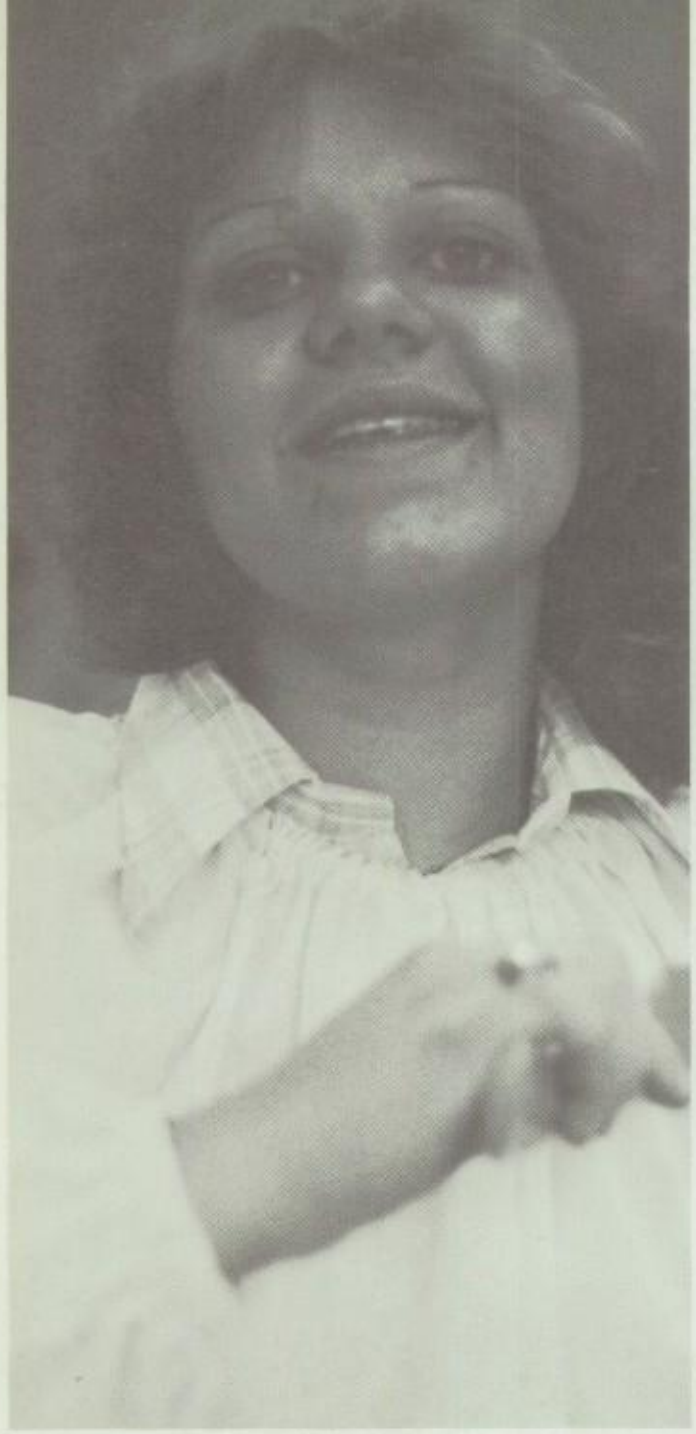


These are the days;
The time is now to live light,
laugh hearty,
and sing loud . . .

Today, we can act
like fools
And get away
with it . . .

Doesn't anybody know the rules?
Isn't anybody gonna get through school?

If I leave here tomorrow
Would you still remember me?



Lots of those friendly people showing me ways to
go
And I never want to lose their inspiration.

So if you think your
life is complete
confusion
'cause your
neighbor's got it
made,
Just remember it's
a Grand Illusion
and deep inside
we're all the same
. . .

SPORTS

FOOTBALL . . . . . BE FIRST!

The Magicians on the gridiron can look back on their 1979 season and be proud that they played for the green and white. Their record was 4-4-1. This included shutout victories of 50-0 over Frankfort and 26-0 over Little Falls and also a 6-6 tie with rival Ilion. Every game was played well right to the end. Even when losing, our mighty Magicians never gave up.

H.H.S. was led on the offense by quarterback Joe Wood, wide receivers Frank Santoro and Jim Waghorn, and runningbacks Jerry Sakowski, Joe Casale, and Dan Murphy. These players helped the team move the ball up the field time after time to score. Sparking the defense that was so fearsome were seniors Steve Waghorn, Rick Burroughs, and Brian Keyes, junior Dan Knapp, and sophomore John Sarafin.

Our Magicians were not the C.V.C. champions in 1979, but in the eyes of the Herkimer fans, coach John McMahon and his gridders really were first!

TEAM CAPTAINS: S. Waghorn, J. Wood, R. Burroughs, coach John McMahon, J. Sakowski, F. Santoro.

CROSS COUNTRY

Our cross country team was the winner of the league crown for the first time in the C.V.C. this year. They battled a very strong Kennedy team right down to the wire to become the champion. Each team had identical 5-0 records going into the meet in which they ran against each other. The meet itself was very close. The score was tied at 28-28 after the usual points and only when our sixth runner crossed the finish line before their sixth runner, were we declared the winner. Helping the team in its fantastic season were seniors John Campagna, Pat Wren, Pete Komendarek, Steve Rando, and juniors Chris Reina and Mike Edwards. John and Chris were named to the all league team and Pat was an honorable mention selection. Congratulations to the entire team for a great effort!

HOMECOMING

After a week of fun and good memories, we beat JFK. During half-time, our band showed off their version of **West Side Story** a la HHS. Saturday night ended Homecoming with a dance featuring Alec Star. Seniors Rick and Rose reigned over the festivities with the help of their senior court: Frank and Sharon, Greg and Robin and Kim and Santo. It was a great week for everybody and especially for the Seniors, Class of '80!!! Remember, everybody has a dream.

BOYS' BASKETBALL

The green and white on the basketball court had another fantastic season for H.H.S. They were crowned kings of the C.V.C. for the fourth time in five years. The Magician cagers under the direction of coach John Mosny showed its fans that they really had talent and knowledge of the game.

One of the most anxious moments of the season was when it was found that senior star Joe Wood would be lost for the remainder of the magician games after playing in only two. What the team found out though was that they could pull themselves together, pick up the slack, and still be champions, which they did brilliantly.

Rallying the team together were seniors John Campagna, Pat Wren, and Rich Mason. Each of these tri-captains earned all league honors. Two sophomores, who will be around for two more years, added greatly to the team also. Jim Waghorn was brilliant on defense and always added to the offense when needed. John Sarafin was selected to the all league first team after intimidating every team on defense and being the fourth top scorer in the C.V.C.

Congratulations to the entire team on a fine season.

GIRLS WINTER SPORTS

The girls winter sports teams from H.H.S. played very well this year. The volleyball team ended the season with a really fantistic 4-2 record in the league and then went on to take second place in the C.V.C. tournament. The team was led by seniors Kim Bouck, Shelly Carter, Salina Fiorentino, and Denise Wiliczka. Also at the tournament, senior Mary McTiernan took third place in the badminton singles competition and the doubles team of Luanne Giffune and Terri Scalise placed third. Also, Caroline Syczyk greatly helped the table tennis team with her four years of experience.

SWIM TEAM

Dedication and a lot of fun was the story behind the H.H.S. swim team this year. They came out on top in only one meet this year, but they never gave up being a team, having a good time, or trying to improve. Leading the team for Coach Connie Miller were seniors Mark Fahey, Tim Doxtader, Dave McElwain, Dan Frost, Barb Gokey, Al Annotto, and Tony Blasting. Also, divers Patty Martin and Cathy Crandall always showed winning form. The underclassmen on the team added a lot of depth and so we can expect great performances in future years.

GIRLS' BASKETBALL . . . . GO FOR IT!

The female cagers of H.H.S. won their first league championship in 1980. They did this with the talent of senior Kim Bouck and junior Val Spogen under the junior Val Spogen under the boards, and senior Shelly Carter and junior Luanne Giffune directing the team from the top of the key. Giving the team much of the depth that was needed were juniors Cindy Fenner, Cindy Perry, and Jean Dorrance. The most exciting point in the season was when the girls beat a strong Ilion team, 57-49, to gain a share of the crown. Our team had the lead from the beginning and never gave it up. Way to "go for it" girls!

BOYS' WINTER SPORTS

The boys' winter sports teams did fantastic this season! The volleyball team came in second and the badminton and the table tennis teams won the league championships. Senior Tom Colonna and junior Dan Gardner led the volleyball team, setting up the fantastic spikes of Dave Priesche and Shawn McEachern. Leading the badminton team were C.V.C. and section III doubles champs Ron Brown and John Piseck and singles champ Jerry Sakowski. The latter, a senior, closed out his career at H.H.S. undefeated. Congratulations to Coach Hughes and all those who were on the teams!!

SKI TEAM

Waiting was the name of the game for the H.H.S. ski team this year. There wasn't much snow, but when it came, our skiers were roaring and ready to go! Helping the team to its respectable finishes were seniors Jim Fahy, Scott Hughes, and Jim Karpen. The team was young and inexperienced this year, but when the snow falls next winter, our skiers will be out there fighting the mountains again.

WINTER WEEKEND 1980

"Time for a Cool Change" was the theme for our Winter Weekend. Lynn and Richard reigned over the unpredictable festivities along with their senior court: Kim and Pat, Jackie and John, Jackie and Joe, Nancy and David. Don't forget our honorary senior attendants, Adriana and Favia, escorted by Steve and Brian. Due to sickness in Little Falls, our Basketball game was canceled. However, Coach Hughes and the volleyball team saved the day by giving us a game with which to start the weekend's activities. Saturday night, the "unforgettable" RAGE provided the music for the dance. Needless to say, it was a weekend that we'll all remember.

ODE TO A BANDSMAN: Think back to the fall for a minute. Remember the marching band rehearsals in the cold? What about dancing with Dale in the gym when you could have sworn you had two left feet? Before you think of another sore lip, remember how we pulled everybody to his feet in a standing ovation during our West Side Story half-time show. It's a great feeling. On to more somber things, relive in your hearts our participation in the Freedom Rally. There's no need to mention all of our concerts but a special mention of PRISMS is in order. All of this was made possible by a person whom we all know. Our gratitude can't be expressed in words, for words seem meaningless at a time like this . . . We'll miss you, Mr. Schmid.
